

Otter Class Curriculum Letter—January 2024

Welcome back Otters! We hope you have had a lovely Christmas holiday and a happy new year! We have some exciting topics and trips already planned, with more to come!

Mrs Harrington and myself will be working in class daily. On a Tuesday, Miss Done will be taking the class, and she will also join us on a Wednesday afternoon.

Our PE days will be Tuesday and Wednesday—please could children come into school dressed in their school PE kits on these days. Thank you!

Homework will include practising times tables facts and spellings. This will mainly be using the TT Rockstars and Purple Mash websites, and the children will have logins for these in their reading diaries—please ask if you need a reminder! Children will also bring home a “Reading for Pleasure” book, and some will also have a levelled reading book to share at home at least 3 times a week. **These books need to come in to school everyday, as we have reading sessions in school too. Please also record, or ask your child to record, when they have read at home.**

As always, if you have any questions, please pop in and ask. We hope everyone has a brilliant term!
