

BROOKE HILL ACADEMY TRUST

BRITISH VALUES STATEMENT - PREPARING CHILDREN FOR LIFE IN MODERN BRITAIN 2021/2022

At Brooke Hill Academy Trust we take very seriously our responsibility to prepare children for life in modern Britain. We ensure that the fundamental British Values are introduced, discussed and lived out through the ethos and work of the school. All curriculum areas provide a vehicle for furthering understanding of these concepts and, in particular, our RE, SMSC, PSHE and Citizenship lessons provide excellent opportunities to deepen and develop understanding. Children embrace these concepts with enthusiasm and demonstrate a good understanding of their application to their own lives.

The schools make considerable efforts to ensure children have exposure to a wide experience beyond their local community during which these concepts are shown, through for example, sporting events, a range of visits and use of outdoor education centres. Their strong rooted values-based understanding gives them an excellent platform for embracing difference.

Mutual Respect and the Tolerance of those with different Faiths and Beliefs

Statement

Respect is a fundamental school value, around which pivots much of the work of the school. We pay explicit attention to this as part of our RE, PHSE, and SMSC curriculum. Respect is a school value that is discussed deeply, starting with self-respect and covering respect for family, friends, and other groups; the world and its people; and the environment.

Evidence

Records of PSHE Sessions / Collective Worship. RE curriculum RE planning and workbooks. Learning Walks for behaviour and behaviour for learning School Values

Impact

Children can articulate why respect is important; how they show respect to others and how they feel about it for themselves.

Children's behaviour demonstrates their good understanding of this value in action.

Children are able to talk about the different faiths and cultures they learn about, ask questions and show tolerance and respect for others of different faiths and religions.

Democracy

Statement

The children at Brooke Hill Academy Trust see democracy borne out in a whole variety of ways and see this as being an essential component of successful team working. Democracy is a school value that children meet when discussing respect and fairness.

Evidence

The establishment of a new School Council each year models the democratic process. RE planning and work books. Learning Walks for behaviour and behaviour for learning School Values.

Impact

Children are able to work cooperatively in pairs and groups as well as in whole class situations. They understand about turn taking and respecting the views of others. Children in KS2 in particular are able to use the language of respect.

Rule of Law

Statement

The children at Brooke Hill Academy Trust are familiar with this concept through the philosophy that infuses the entire work of the school. They are familiar with the concept through the discussion of values and, in RE lessons, the idea that different religions have guiding principles. Children are used to debating and discussing laws/rules and their application. Children are familiar with the local police who visit to talk to them informally.

Evidence

Class Rules School Rules/Learning Behaviours School Values PSHE/Citizenship lessons on the role of law and Parliament School Council meetings Collective Worship. RE planning and work books. Learning Walks for behaviour and behaviour for learning.

Impact

Children are able to articulate how and why we need to behave in school and demonstrate they understand and can abide by these. They are able to discuss and debate philosophical issues in relation to these.

Individual Liberty

Statement

Our Values based discussions and acts of worship begin with discussion about the self, e.g. self –respect and self-worth in relation to the individual value so that children see that they are important in their own right. The philosophy of our teaching and learning places emphasis on the right to have our own thoughts and evidence based views. Children are strongly encouraged to develop independence in learning and to think for themselves.

Evidence

Children are able to show independence in learning and to think for themselves.

Impact

Children understand about the importance of accepting responsibility and of their right to be heard in school. They are consulted on many aspects of school life and demonstrate independence of thought and action.
