

## School Leadership Roles

Our School Leadership Board is now ready to receive letters of applications. This year, a priority for us as a school is to raise the profile of pupil leadership which develops children's confidence, empathy, organisation and our community.

School Council applications are for children in Year 2 upwards and the remainder of the roles are for Year 5 and 6.

The deadline for letters posted into the folders, in the EYFS corridor, will be Friday 15<sup>th</sup> September. We will look forward to our forthcoming interviews.

Thanks in advance for your support.
