

BROOKE HILL ACADEMY TRUST

22nd March 2024

Dear Parents / Carers,

As you aware, we have just come to an end of a 2 day OFSTED inspection and I am thrilled to take the earliest opportunity to share our very positive experience and success. Whilst I cannot share the official grading or the report for another few weeks, I am able to share that we are thrilled with the feedback shared.

As with any inspection, the inspection looked at a multitude of aspects of school life including the provision of our curriculum, the standard of teaching, the opportunities on offer for our children and the measure of improvement since the last inspection and the progress of our children. Throughout the inspection, lessons were observed, leaders were interviewed and challenged, children, governors and parents were spoken with, data was scrutinised and improvements measured. The Ofsted Inspector was particularly impressed with the work done so far this year to raise academic standards.

Findings will be shared through the official report which we should be in receipt of after Easter.

I would like to take the opportunity to thank parents and families for their overwhelming messages of support and kindness that were shared with the inspector and school. We are looking forward to sharing the report next term.

Kindest regards,
Anna O'Shaughnessy
Head of School
